

1541-KERB SORTING CLAMP

The 1541 sorting clamp is designed for use by two personnel or to hang from a chain sling.

Simple design ensures safe and efficient movement of kerb stones from point of off load to placement.

Item Code	SWL (Kg)	Grab Range (mm)	Internal Depth (mm)	Weight (kg)
1541.1	100	500-1050	40	12
